February 17, 2012

Dear Parents,

As we approach the 2012-13 school year and begin thinking about Kindergarten registration, we would like to outline for you some options that will be available for our youngest incoming students.

As in past years, Chloe Clark again will be offering half- and full-day Kindergarten, with the half-day program offering both morning and afternoon classes. Full-day Kindergarten continues to be a success at Chloe, and registration for this program will be on a first-come, first-served basis. Because the state of Washington funds only the half-day Kindergarten program, our full-day Kindergarten is tuition-based; the fee for having students attend the full-day program is \$300/month.

In addition to our existing half- and full-day programs, I would like to announce a pilot program at Chloe Clark. For the 2012-13 school year, parents will have the option to participate in a Kindergarten program that will meet “all day, every other day,” with one class of students attending school on Mondays/Thursdays and the other meeting on Tuesdays /Fridays (students will rotate between attending on Wednesdays). We are very excited to have the opportunity to bring an all-day experience to a larger number of children at Chloe Clark!

Because of being able to offer only one “full-day, every-day” class next year, I anticipate interest in the “all-day, every-other-day” program to be strong. **Please contact the Chloe Clark office by Monday, March 12th if you are interested in enrolling in this program so we can judge if there are enough students to establish it in the 2012-13 school year.** Enrollment will be limited to 50 students total.

New Kindergarten registration begins on March 26, 2012; please contact the District Registrar at (253) 983-2216 to make an appointment for Kindergarten enrollment.

Thank you for your support of Chloe Clark Elementary and all of our district schools.

Sincerely,

Gary L. Yoho  
Principal
